HM Financial & Tax Consultant N.V.

IT Computer Assistant. | Oranjestad, Aruba | Jun 2019 - Nov 2023

I provided technical support and troubleshooting for software and hardware issues, ensuring smooth operations for end users. In addition to my assistant duties, I developed and maintained various internal tools and applications, utilizing my programming skills to optimize workflows and automate repetitive tasks. I collaborated with senior developers to enhance system performance, contributed to code reviews, and worked on improving user interfaces. My role allowed me to hone my programming abilities while supporting the overall IT infrastructure.
